involvement

*An event showcasing local employment and training opportunities available NOW and pathways to emerging opportunities TOMORROW, as we see the Hunter region change and develop across various industries.*

The Tomorrow Now Event will consist of a series of breakout sessions throughout the day, where Workforce Australia Participants, School Career Advisors and General Public will hear from various industry representatives about opportunities available now, and how they can prepare for the opportunities of the future.

There will also be stalls for local businesses to showcase their employment opportunities and services.
